When was the last time you took a good look around you at God’s creation, at His wonders—of which you are one—and allowed their beauty, majesty, and grandeur to fill your eyes and soul?

Consider where you are sitting right now. If you can see out a window, allow your eyes to roam over the sky, the ground, the people, the animals. They are all a reflection of the Lord who loves you like no other! The God who is closer than your breath is near, hoping you will seek Him and draw close to Him. Make this a praise day.

Psalm 75:1, 9
