---

When describing what everlasting love means, , Jack Winter says it very well..."There was never a time in all of eternity when we were not loved by God." Our Father's everlasting love has always been there and will always be there. There is nothing we can do to make God love us any more than He does right now. It is difficult for us to be able to comprehend this kind of unconditional love and acceptance. While our access to God is through faith, we must believe that there is a reward for those who diligently seek Him (Hebrews 11:6). Our ultimate reward is the revelation of our Father's everlasting love for us. (copied)  
Jeremiah 31:3 ...*I have loved you with an everlasting love ...*
